VOLUNTEERS WANTED · LOGO RESEARCH

Can you spot a look-alike logo?

Help AI research on trademark similarity: look at pairs of logos and tell us whether they look similar. No expertise needed.

1. **Scan the QR code**
   Sign in with Google or email, on your phone or laptop.
2. **Take the short guide**
   A few slides show what counts as similar (about 4 min).
3. **Judge 50 logo pairs**
   Yes, Unsure or No for each one (about 10 min).
4. **Get your certificate**
   A printable certificate with a QR code to verify it.

Your reward

Finish your batch, download your certificate, and collect your reward from **Prof. Sinan Kalkan** (s.kalkan@metu.edu.tr).

Your answers are used only for research. The two background questions (age range, design experience) are optional, and you can stop at any time.
